## ***Bedbugs Suck!***

***They suck the blood from humans.  
From infants to the elderly, they don't  
care. They want to feed and breed.***

***The Clearview Monitor alerts you to the presence of bedbugs  
The monitor contains no insecticides or pesticides***

***Use it in beds***

***Use it in furniture just slip it under the cushions***

***Use in your luggage when traveling***

***Use in hotels, motels and cruise ships***

***Great for dorms***

***Monitor remains active for 6 months when opened***

***Treat a typical 3 bedroom home for pennies a day***

***Made With Pride in the USA***

***Available from***
