## **How Does *Plus Natural Enzymes Pest Eliminator* Work?**

*Plus Natural Enzymes Pest Eliminator* is a **Minimum** Risk Pesticide. It's ingredients are in compliance with the FIFRA (Federal Insecticide, Fungicide, Rodenticide Act.) Because of this, it is EPA Registration Exempt 40CFR

This exclusive product uses naturally occurring minerals and non-toxic elements classified as GRAS (Generally Regarded As Safe). When *Plus Natural Enzymes Pest Eliminator* is introduced to the insect, the enzymes act and cause the insect to molt (shed its outer coating) prematurely.. This is completely safe for humans, pets and the environment.

*Plus Natural Enzymes Pest Eliminator* helps eliminate fruit flies, drain flies, fleas, bed bugs, ants, roaches, box elders, grain insects, spiders, ticks, mites and more, naturally!

**Garden pests** can be safely controlled with 1 oz. of *Plus Natural Enzymes Pest Eliminator* per quart.

**Ant nests** in the ground can be soaked with 3-4 oz. of *Plus Natural Enzymes Pest Eliminator* per gallon (you may need to use 3-4 gallons of water on large nests) put a hole in the nest to receive the mix.

**Mosquitoes** can also be controlled after dusk by misting your area with 5 oz. of *Plus Natural Enzymes Pest Eliminator* and 2 oz. of liquid soap per gallon - an average yard needs about 1 gallon - larger yards require more.

**Flies** can be controlled by rinsing garbage cans and dumpsters with water when empty and then spraying them with 4 oz. of *Plus Natural Enzymes Pest Eliminator* with or without 3 oz. of 20-Mule Team Borax per quart of water.

**Fruit Flies and Drain Flies** See detailed instruction sheet.

**Bed Bugs** See detailed instruction sheet.
