Part 2 of the *Plus Natural Enzymes*
Pest Elimination System

32 Fl. Oz / 946 ml

Active Ingredients:

Sodium Lauryl Sulfate 2.2%,
Sodium Chloride 1.00%,
Potassium Sorbate .07%

Other Ingredients:

Water, Yeast, Acetic Acid

Directions:

Dilute 2 oz. in 1 qt. water for fruit flies, drain flies, mosquitoes or fleas and 4-6 oz. for bed bugs.
May be diluted up to 11 oz. per qt.

Call for individual treatment sheets for other pests. Use as directed. May be sprayed, fogged, foamed or steamed into bedding, furniture or drains. Do not treat food processing areas or food directly. May be sprayed, combed or brushed directly on pets. Always wear proper personal protective clothing during application, including, but not limited to eye protection, gloves and face mask. Avoid eye contact. Do not fog or spray in unventilated spaces without adequate breathing or ventilator equipment.
