

FLIES FLY...

With Cedar Choice

Fly, Mosquito & Tick
Control for Horses

**HEY!
I'm Fly Free!**

Safe and effective against fleas, ticks, mosquitoes, flies, mites, gnats, lice and other flying and burrowing insects without the use of toxic chemicals.

Advanced formulation derived from the oil of Juniperus Virginiana (cedar oil).

This advanced time released formulation has a mild scent, is non-greasy and is an excellent mange control. It is an excellent repellent to keep insects off of the animal. May be used on any mammal such as farm animals or rabbits. You can even spray it on human skin and clothes to keep mosquitoes and other insects off.

Safe to use around children and pets!

FLIES FLY...

With Cedar Choice

Fly, Mosquito & Tick Control for Horses and other Farm Animals

Active Ingredient: 3% Cedar Oil

Inert Ingredients 97% Ethyl Lactate (corn solvents) and Water

***Plus Natural Enzymes Cedar Choice Fly, Mosquito & Tick Control for Horses**

- **Safe & Effective**
- **No Toxic Chemicals**
- **Safe for the Environment**
- **Can be used in conjunction with Plus Natural Enzymes Cleaner**

Directions: Read the entire label before use in accordance with the label instructions. For external use only. Shake well before use. Hold sprayer 8-12 inches from your horse. Start spraying your horse on the neck and chest, down the front legs, making sure to spray the entire coat, including legs, tails and underbody. With your hand, massage the Cedar Choice into the coat to assure that the product penetrates to the skin. Do not spray under saddle area. Avoid spraying in eyes. Repeat as necessary. Product may be applied indoors or outdoors in order to help reduce the occurrence of flies, fleas, ticks and other nuisance insects. This product works best when used regularly year round.

Cautions: Humans: Keep out of reach of children. May be harmful if swallowed. Avoid contact around eyes and mouth. Wash hands with soap and water after handling. Do not apply product directly in or on eyes. Sensitivity may occur using ANY product for pets.

First Aid: Humans: If swallowed call a poison control center or doctor immediately for treatment advise. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person. Horses or Domestic Pets: If signs of sensitivity occur, discontinue use and bathe your horse or pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian. Have the product container or label with you when calling a veterinarian or going for treatment.

Disposal: Do not reuse empty container unless it is used to refill a ***Plus Natural Enzymes Sampson's Choice or Cedar Choice** product. Recycle or wrap container in newspaper and discard in trash.

***Plus Natural Solutions** Worldwide, Inc. represents this product as a Minimum Risk Pesticide which qualifies for exemption from the United States Environmental Protection Act (EPA) registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA).
