CLEANER STEP 1

PREFORMED ENZYMATIC CLEANSER

Plus Natural Enzymes Cleaner is an all-organic, biodegradable cleaner that penetrates and emulsifies all types of filth.

An environmentally friendly alternative to harsh cleaning chemicals, it is highly effective at cleaning tile, walls, floors, carpet, bedding, upholstery and drains.

EFFECTIVE on

**BLOOD, VOMIT, ORGANIC WASTE,
MILDEW, FUNGUS, MOLD, SMOKE,
OTHER ODORS, ANY STAIN, ANY TIME!**

BIODEGRADABLE

Plus Natural Enzymes

PEST ELIMINATOR STEP 2

EPA MINIMUM RISK PESTICIDE

Plus Natural Enzymes Pest Eliminator is an exclusive, organic, non-toxic combination of naturally occurring minerals and enzymes.

When introduced to an insect the enzymes cause it to molt prematurely. This process is deadly to the insect, but entirely safe around humans, pets and the environment.

(EPA Registration Exempt: 40CFR 152.25 [g] (1&2))

EFFECTIVE on

**FRUIT FLIES, DRAIN FLIES, FLEAS,
BED BUGS, ANTS, ROACHES, MITES,
BOX ELDERS, SPIDERS, TICKS, AND
MORE, NATURALLY!**

ECO-FRIENDLY
